Thank you for registering for TNOYS' 37th Annual Conference on Services to Youth and Families. The TNOYS team is excited for an engaging lineup of speakers, workshops, and networking events. We look forward to seeing you at the conference!

We are using the virtual event platform Whova to power the conference, and you'll need to **create an account in Whova** to participate. We also ask that attendees **download the Whova app**.

If you have not already done so, please [click here](#) to create a Whova account. Next, click "sign up here" and enter your email address. This should be the same email address that you used to register for the conference. Finally, enter a password and click "sign up".

To download the free Whova app, please [follow this link on your phone](#). You can also search for the Whova app in the App Store or in Google Play. These include games and the chance to win prizes! Check out a tutorial of the mobile app [here](#).
