How to Apply for a Member Portal Account

Using a form, you can apply for up to 2 accounts available to each organization (and 1 per individual member).

The screenshot shows a registration form for the TNOYS Member Portal. At the top, there is a green header with the text "Welcome to the TNOYS Member Portal." and a sub-header "Member Portal User Registration". Below this, there is a paragraph explaining the portal's purpose. A key instruction states: "To get things started, we are offering 2 accounts per organizational member, and 1 account per individual member. Please fill out the form below and within 1 week you will receive a welcome email with more information on how to log in." The form includes a question "Are you staff of an organizational member or are you an individual member?*" with radio button options for "Organization" (selected) and "Individual". Below this is a section titled "Your Organization's Information" which contains a dropdown menu labeled "Please select your member organization name*" with the text "Please select..." and a downward arrow.
