

Prevention Advocacy Postcards Order Form

One of our advocacy strategies for the legislative session is the "PEI Postcard Campaign." We highly encourage you to order a supply of postcards and distribute them to your staff, clients, and other community members. Some agencies are planning to ask program clients to sign and complete cards after receiving services, and we think that is an excellent idea. To order cards, **please return this order form to TNOYS by 5 pm Monday, March 30th.** We will have them printed and mail them to you the following week. Then, after you collect completed cards, mail them to legislators directly, or mail them in bulk to TNOYS and we'll deliver them to the appropriate legislative offices at the Capitol at no charge.
