## *33<sup>rd</sup> Annual TNOYS Conference on Services to Youth and Families*

Join us for our 33rd Annual TNOYS Conference on Services to Youth and Families on August 9-12th at the Westin Galleria in Houston. Our event is a statewide forum for learning and networking on subjects relevant to serving vulnerable youth, their families, and their communities. This year in Houston, we expect over 350 youth workers, clinicians, administrators, advocates, and youth leaders to join us to make connections, share solutions, and discuss critical issues facing youth, families, and those serving them.

Our 2016 theme, Stronger Together, is focused on bringing together youth, families, providers and advocates to learn about the latest best practices in youth services and collaborate to strengthen programs across the state. Our workshop sessions will focus on runaway, homeless, and foster youth as well as programs and initiatives that strengthen youth and families to divert them from – or empower them within – the juvenile justice and child welfare systems. We are also pleased to add a youth track to our conference with sessions focused on leadership and advocacy. We invite youth, families, providers, and advocates to join us for this great event!

### **Our Mission**

To strengthen, support, and protect critical services for youth and their families to ensure their success.

### **Our Approach**

TNOYS uses a comprehensive systems change approach to strengthen, support, and protect youth services:

1. **POLICY:** We advocate for public policies and priorities that benefit young people in high risk situations.
2. **PRACTICE:** Our professional and program development services ensure that those in the field are fully equipped to meet the complex needs of the young people and families they serve.
