PEAKS is a therapeutic, experiential camp where youth in foster care learn important life skills, build resiliency, and enhance their feelings of self-worth. Youth attend camp with an adult sponsor, such as a CPS caseworker, who also benefits from professional skill-building.

For over 30 years, dedicated volunteers have joined PEAKS to provide this life-changing experience. Volunteers help create a positive, nurturing, non-judgmental environment, and co-lead groups of campers through a highly structured camp experience.

PEAKS VOLUNTEER QUALIFICATIONS:

- Must be at least 21 years of age and able to pass criminal history and Child Abuse and Neglect background checks;
- Must participate in a virtual training session (TBA) during the work day
- Must be able to attend the full camp from March 10 – 16 and stay overnight at the campground in Woodcreek, TX;
- Must have the following personal qualities, which are critical for facilitating a strong PEAKS camp program: playful and enthusiastic; commitment to and respect for youth; responsible and professional; sensitive and perceptive; supportive and encouraging; positive attitude.

Benefits to volunteers include air-conditioned accommodations at the campground, all meals, and the chance to make a difference in the lives of young people in the foster care system.
