

YOU'RE INVITED TO TNOYS' 39TH ANNUAL CONFERENCE!

We at TNOYS are hosting our 39th Annual Conference this May! Join us in the amazing city of Houston, Texas, from May 24 - 26, or join us virtually on May 11. The conference is a great chance to have fun and learn from both professionals and youth. Stop by to connect with fellow youth and young adult attendees and enjoy all the activities we have in store:

exclusive youth lounge to
chill & connect

free food and games with the
chance to win prizes

workshops on topics like budgeting,
housing, going to college, and more!

DON'T JUST TAKE IT FROM US!

Each year, youth and young adults attend the conference or even join us to lead workshops. Hear from two members of our Young Adult Leadership Council (YALC) who have been to the conference and will join again this year:

"I enjoyed the break out sessions and meeting new people from different regions. I'm excited this year about the different workshops, networking and painting canvas. I'm also excited to work with YALC members in person."

– **Montoya T.**

"I am anticipating so much fun at this conference but more importantly so much insight! Between the keynote speakers and the workshops this year, I am so excited! Being able to get hands-on learning is not only beneficial to me but will let me be more prepared to help others afterwards!"

– **Helaina H.**

Want to join us? Talk with your organization about signing up for the conference as a youth/young adult registrant. Or, learn more and sign up on our website:
