

Be a Champion for Kids in Foster Care: Sponsor PEAKS Camp 2026!

March 11 - 17, 2026 | Wimberley, Texas

Texas Network of Youth Services (TNOYS) is seeking sponsors for our upcoming PEAKS (Physical and Environmental Activities for Knowledge and Skills) Adventure program, an overnight camp for 100+ children and youth in foster care that takes place over spring break.

ABOUT PEAKS CAMP

For decades, TNOYS' PEAKS Camp has been the only chance for thousands of Texas foster kids to enjoy a camp experience and the great outdoors. This unique program incorporates typical camp experiences such as ropes courses, swimming, archery, and creative arts, and is designed to equip kids with key resiliency skills like communication, team-building, and problem-solving.

Estimates show that nearly 50% of former foster kids fall into homelessness as adults— making PEAKS a true lifeline for children. Kids not only leave camp with lasting memories but with a support system and newfound life skills that will empower them to achieve stability as adults.

Join us to grow and sustain PEAKS, and give 100+ youth in foster care a life-changing experience this March. Please sponsor PEAKS Camp today and share about the camp with your networks. To learn more, please email peaks@tnoys.org.

“ This was my first time [at camp]. This experience added more confidence and capability to my life because of all the support I have been given in this camp.
